

Katherine McCullough

Realtor

As a licensed Real Estate professional working and living in the Dallas area for more than thirty years, I have a wealth of knowledge and insight regarding residential Real Estate in Dallas and the surrounding areas. I would appreciate the opportunity to share my knowledge and experience with you as a homebuyer or seller. I am a hard-working, detail-oriented, and loyal individual with a passion for helping people. My mission is to provide you with the most positive and rewarding home purchase or selling experience possible.

Representing you as a buyer, I will strive to find the home that best fits your needs and wants, negotiate your offer as aggressively as possible in order to assure you are fully optimizing the value of the home you choose, and develop a relationship with you that will continue long after the purchase of your home is complete. I will be available to you should you ever have any questions as a homeowner as well.

As a seller, I will advise you how to present, price and sell your home as quickly and for the highest price possible.

I have lived in Northaven Park with my husband and three beautiful daughters since May of 2008. I earned both my Bachelor's and Master's degrees from the University of North Texas majoring in Radio/TV/Film with minors in Communications and Higher Education respectively. I am an involved member of our community. I serve on the Welcoming Committee for NPNA and I am a member of the MetroTex Association of Realtors. I would be honored to earn your business and look forward to assisting you in your home buying or selling needs.
